

Want Electronic Forvm and Not Getting It?

Here is how to ensure that issue is solved

Sign in at <http://www.us.mensa.org/>

Then you should see a Welcome, Your Name
With a "Edit profile" right underneath which you should click.
If I sign in, it shows:

Welcome, Steven Herman

• [Edit profile](#) | [Logout](#)

Once you click Edit profile you will see:

Membership profile

[Edit your profile](#) | [Biography information](#) | [eNewsletter subscriptions](#)
[Group newsletter subscriptions](#)
[Election material preferences](#) | [Payment options](#)
[Personal data questions](#) | [Privacy releases](#) | [Publication preferences](#)

Click the Personal data questions and then below you will need to check both of these which will appear with other choices of releasing information:

- **RELEASE WITHIN AMERICAN MENSA**
 - Release my email address within the organization.
- **RELEASE FOR MENSA-RELATED NOTICES**
 - Release my name, address and email information, excluding phone, for communications from authorized benefit and service providers that may be of interest to me. Release of contact information is handled in a controlled manner, and each request for membership information is reviewed and authorized prior to sending.

Then do the following:

At the American Mensa website where you edit your profile, please indicate your preference within:

ePublications Information

I prefer to receive my local publications electronically if available*. I understand that, should my email address bounce, I will receive such publications through the mail until I provide a new email address.

Email Address:

Release the above email address within the organization.

You are releasing your email address to officers of CNJM so you can be contacted on official Mensa business only.
